HEALTH & SAFETY POLICY DOCUMENT
PART 1
STATEMENT OF INTENT

The school's Governing Body and Headteacher recognise and accept their responsibilities both under law and also under Gloucestershire County Council delegation for local management of schools. As responsible employers and/or persons in control of premises, the requirement to provide a safe and healthy working environment for all employees and others affected by its activities is acknowledged.

The school is committed to managing risks by ensuring that risk assessments are undertaken, control measures implemented and systems are continuously monitored and reviewed led by the school's Governing Body and Headteacher.

In particular the Governing Body and Headteacher are responsible for:

- providing a safe and healthy working and learning environment and ensuring that the premises are maintained in a safe condition;
- maintaining safe access to and egress from the premises;
- preventing accidents and work related ill health;
- assessing and controlling risks from curriculum and non-curriculum work activities including offsite visits;
- complying with statutory requirements as a minimum;
- ensuring safe working methods and providing safe equipment;
- providing effective information, instruction and training;
- monitoring and reviewing systems to make sure they are effective;
- developing and maintaining a positive health and safety culture through communication and consultation with employees and their representatives on health and safety matters;
- setting targets and objectives to develop a culture of continuous improvement;
- ensuring a healthy working environment is maintained including adequate welfare facilities;
- ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable;
- ensuring safe use, handling and storage of substances at work.

In addition to the above commitment, the Governing Body and Headteacher also recognise their obligations to non-employees and provide trainees, members of the public, pupils, contractors, etc, or anyone who is or may be affected by the schools activities with the necessary information, instruction, training and supervision available to ensure the safety of those affected.

The Governing Body and Headteacher will ensure adequate resources, including finance to implement the Policy.

The Governing Body and Headteacher are committed to the arrangements stated in this Policy Document and all staff are required to comply. They are encouraged to support the Governing Body and Headteachers commitment to continuous improvement in the school's

health and safety performance. For the Policy Document to be effectively implemented, the school requires the full co-operation of employees and others who use the premises.

This Policy Statement will be reviewed every three years and the accompanying organisation, risk assessments and other arrangements will be reviewed at least annually and revised as and when necessary.

This Policy Statement, together with the organisational structure and the following arrangements and procedures, has been approved by the school's Governing Body.

PART 2 – ORGANISATION

Organisation – Introduction

In order to achieve compliance with the Governing Body and Headteacher’s Statement of Intent the school’s normal management structure will have additional responsibilities assigned to them as detailed in this part of this H&S Policy Document.

The Duties of the Governing Body

The Governing body has overall responsibility for ensuring compliance with this H&S Policy Document. In consultation with the Headteacher the Governors will ensure that there are effective and enforceable arrangements for the provision of health and safety throughout the school, periodically assessing the effectiveness of this document ensuring that any necessary revisions are made to determine the policy and monitor its implementation. The Governor with H&S responsibility is Michael Wooldridge.

The Duties of the Headteacher

The Headteacher has day-to-day responsibility for ensuring compliance with this H&S Policy Document. In consultation with the Governors the Headteacher will ensure that there are effective and enforceable arrangements for the provision of health and safety throughout the school, periodically assessing the effectiveness of this document ensuring that any necessary revisions are made to determine the policy and monitor its implementation. The Headteacher will maintain the profile of health and safety within the school by the development of safe working practices and conditions and will ensure that health and safety standards are maintained at all times.

| Revision frequency | 3 years | Issued | Oct 2019 |
| Issue | 2.0 | Next review due | Oct 2022 |
| Review Author | MJW | On website | YES |

The Duties of Employees

All employees have individual legal responsibilities to take reasonable care for the health and safety of themselves and for others who may be affected by their acts or omissions, and must comply with the school's Health & Safety Policy Document and procedures at all times, co-operate with school management in complying with relevant health and safety law, use all work equipment and substances in accordance with instruction, training and information received, report to their immediate line manager any hazardous situations and defects in equipment found in their work places, report all incidents in line with current incident reporting procedure, act in accordance with any specific health and safety training received, inform their line manager of what they consider to be shortcomings in the school's health and safety arrangements and exercise good standards of housekeeping and cleanliness.

Pupils

Pupils, in accordance with their age and aptitude, are expected to exercise personal responsibility for the health and safety of themselves and others, observe standards of dress consistent with safety and/or hygiene, observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency, use and not wilfully misuse, neglect or interfere with anything provided for their health and safety.

School Safety Representatives

The Governing Body and Headteacher recognise the role of Safety Representatives who may be appointed by a recognised Trade Union. Safety Representatives will be allowed to investigate accidents and potential hazards, pursue employee complaints and carry out school inspections within directed time but, wherever practicable, outside teaching time. Safety Representatives are entitled to certain information, e.g. information relating to accidents, and to paid time away from the workplace to train for and carry out their health and safety functions. (However representatives are not part of the management structure and do not carry out duties on behalf of the Headteacher or Governing Body).

Temporary Staff

Temporary staff are provided with information and guidance which includes the Health & Safety Policy Document, fire and emergency procedures etc. and are suitably inducted to their role. Temporary staff are directly accountable to the Headteacher whilst on the school site. Temporary and new staff are sign posted to the new starter information on Onedrive which includes H&S responsibilities

Teaching Staff

Teaching Staff have a day to day responsibility for ensuring compliance with this Health & Safety Policy Document and ensuring all persons under their control are aware of the general health and safety requirements of the school and the detailed requirements for activities relevant to them. Teachers are responsible for the immediate safety of the pupils in his/her classroom. Nominated teachers are responsible for their own classroom and associated equipment and as such it is their responsibility to ensure that it is maintained to a high standard with respect to health and safety issues.

Teaching Assistants

Teaching assistants have a day to day responsibility for ensuring compliance with this Health & Safety Policy Document and are immediately accountable to the teacher in charge whilst the class is in session.

The Duties of Off Site Visit Coordinators (OVC)

The Offsite Visit Coordinator (OVC) ensures that standards for off-site activities and educational visits are followed. The OVC works with trip leaders to ensure the aim of the educational visit is achievable and in line with those of the school. The school refers to the Off-Site Visits Manual on the SHE webpages.

This is currently the Business Manager

The Duties of Premises Manager (Bursar, Business Manager, Site Manager)

The Premises Manager has a day to day responsibility for ensuring compliance with the school Health & Safety Policy Document and taking effective action and/or immediately referring to the Headteacher any health and safety issues brought to their attention, this includes the stopping of any practices or the use of any tools, equipment etc which are considered unsafe.

This is currently the Business Manager

Volunteer and Parent Helpers

Volunteer and parent helpers are provided with information and guidance which includes health and safety, fire and emergency procedures etc. Volunteer and parent helpers are directly accountable to the teacher in charge whilst on the school site.

| Section 1 - RISK ASSESSMENT | | |
|--|---|---|
| <p>Risk Assessment The school uses GCC risk assessment process and template as a standard for risk assessment and those of relevant professional bodies such as CLEAPPS/AfPE etc. Risk assessment is the responsibility of the schools Management Team at a variety of levels. Those responsible for premises or curriculum areas ensure that risk assessments are undertaken and recorded for significant activities. Risk assessments are reviewed periodically or where there is a change in circumstances.</p> | <p>Business Manager, Headteacher and H & S Governor</p> | <p>GCC SHE Risk assessment template will be used to bring RA up to date</p> <p>Will be reviewed as required or annually</p> |
| <p>School Trips/Offsite Visits The school complies with DfE Guidance and the GCC standards on offsite visits and school journeys. A separate school trips procedure has been produced based on GCC guidance.</p> | <p>Business Manager</p> | <p>The business manager is the offsite visit coordinator and an offsite visit policy Reviewed every 3 years Instructions on onedrive for teachers planning offsite visits</p> |
| <p>Working at Height The risks associated with working at height are identified through risk assessment using SHE/GN/5 Working at Height. Frequent documented checks take place to ensure the safe working condition of access equipment. Procedures are in place to ensure any damaged access equipment is clearly labelled and removed as soon as practicable. The school discusses and agrees arrangements with staff. Where members of staff have medical conditions or other factors which may affect their ability to use access equipment, a separate risk assessment is in place. Staff also have a responsibility to ensure their own health and safety and assist in the operation of any systems designed to provide for their safety.</p> | <p>Cleaner in Charge</p> | <p>Working at height is defined as work requiring a step ladder. Kick stools do not. Working at height training has been provided for the cleaner-in-charge. Training should be refreshed every 3 years. See RA</p> |

| Review Author | MJW | On website | YES |

| | | |
|--|------------------|--|
| <p>Noise</p> <p>The school is aware of its responsibility for assessing the risks of noise and where noise is identified as a significant risk the school ensures appropriate control measures are put in place.</p> | Head teacher | Drum lessons in the music room are scheduled to reduce impact on nearby activities |
| <p>Violence to Staff</p> <p>The school is aware of their responsibility for assessing the risks of violence to staff and where violence is identified as a significant risk the school ensures appropriate control measures are put in place. Staff report any incident of aggression or violence (or near misses) directed to themselves through the reporting process. All reported incidents of violence are recorded on the SHE Assure system.</p> | Head teacher | <p>The reception area is the highest risk area and this is now very secure.</p> <p>Staff are aware and trained where necessary in how to deal with violence or aggression from or between pupils and/or parents – incidents discussed and lessons learned and shared</p> <p>systems are in place to deal with intruders</p> <p>Procedures are in place to record any such incident – records held by head teacher</p> |
| <p>Security Arrangements Including Dealing with Intruders</p> <p>Risks to security of the premises and property are assessed through the risk assessment process and appropriate control measures implemented.</p> | Business Manager | <p>All entrance doors are locked and gates to the playground are locked during school hours. 9.00 – 15.00.</p> <p>Visitors to the building need to sign in at reception and are given a colour coded lanyard indicating level of DBS.</p> <p>The school is locked up between 18.30 – 7.00.</p> <p>The gates are secured at night by the cleaner-in-charge.</p> <p>The recreation centre used the gym facilities but they do not have access to the greater area of the school building</p> |
| <p>Personal Security/Lone Working</p> <p>The school ensures that lone working is risk assessed and that appropriate control measures are put in place to mitigate those risks. Staff assist in the operation of any systems designed to provide for their safety.</p> | Business Manager | See Lone Working Policy on OneDrive |

| | | | |

| Review Author | MJW | On website | YES |

| | | |
|--|------------------|---|
| <p>Personal Protective Equipment (PPE)</p> <p>Employees/Managers assess on the basis of risk assessment and CoSHH assessments where the need for PPE is identified as a control measure. Where it is assessed that PPE is required PPE is appropriately selected and provided. A record is held which includes details of any expiry dates to ensure equipment is replaced as and when necessary. Staff are responsible for ensuring that they use PPE where it is provided.</p> | Business Manager | <p>The groundsmen are self-employed and provide their own PPE.</p> <p>The RA details instances of when PPE should be used</p> |
| <p>School Transport</p> <p>The school uses the SHE guidance on occupational driving as a basis to ensure safe transportation of pupils for activities such as offsite visits and sports fixtures. Risks associated with driving are evaluated within assessments for activities.</p> | Business Manager | See RA |
| <p>Manual Handling (typical loads and handling pupils)</p> <p>The school refers to the SHE/GN/30 Manual Handling and risks of manual handling are communicated within general risk assessment.</p> <p>Any activities that involve significant manual handling tasks are risk assessed and where appropriate training provided for staff. The Headteachers are responsible for assessing the appropriate approach to handling tasks and may seek professional advice from SHE and Occupational Health as necessary.</p> | Business Manager | See RA |

| | | |
|--|---------------------|---|
| <p>Curriculum Safety (including extended schools activity/study support)</p> <p>Heads of Departments ensure that risks related to curriculum areas are identified and controlled where necessary referring to material such as CLEAPSS, AfPE, DATA and SHE guidance etc. For any activity falling outside published a risk assessment is carried out. An inventory of all equipment is kept by the departmental head and all tools/equipment/machinery are checked, maintained and stored correctly.</p> | <p>Head teacher</p> | |
| <p>Display Screen Equipment (DSE)</p> <p>The majority of staff within the school are not considered to be DSE users. The school refers to SHE/Pro/5 – Working with Display Screen Equipment. Headteachers/Heads of Department ensure that DSE workplace assessments are conducted for all users. DSE assessments are reviewed annually and where equipment changes or office layouts change or when there are staff changes.</p> | <p>Head teacher</p> | <p>A VDU assessment to be performed whenever a workplace is changed or new staff start.</p> |

| | | | |

| | | |
|---|-------------------------|---|
| <p>Parent Teacher and Families Association The school offer support to the Parent Teacher and Families Association (PTFA) and provide a forum through which parents can become more involved in the education of their children. Risk assessments are carried out for PTFA run events and adequate insurance is in place.</p> | <p>Business Manager</p> | <p>Risk assessments are performed by the PTFA and retained by them. Proof of Insurance to be provided.</p> |
| <p>Playground Supervision/Play Equipment and Maintenance Risks are assessed using the SHE Information Sheet 14 Playground Supervision. A risk assessment of the potential hazards in the playground and their likelihood to cause harm has been undertaken and the following have been considered within the risk assessment process.</p> | <p>Business Manager</p> | <p>ROSPA review is performed every year by Playsafety Ltd, Farringdon SN7 7PN Broken equipment – areas are cordoned off as required and repairs are arranged by the cleaner in charge or the business manager. Midday supervisors monitor the playground at break times 5 on duty over two lunch time sittings. 3 supervisors cover the canteen and 2 cover the playground. In addition a senior leadership team member is on hand (via a walkie talkie system)</p> |

| | | |
|--|-------------------------|--|
| <p>Lettings (shared working – playgroups etc) The school follows Asset Management & Property Services (AMPS) guidance and casual hiring agreement form. The school ensures that the hirer/tenant has public liability insurance in place in order to indemnify the school from all such hirers’/tenants’ claims arising from negligence. If any part of the school is let, the Headteacher is satisfied via the agreement that the hiring organisation will use the premises in a safe manner. A signed, written letting agreement is completed and copies are kept and a risk assessment has been undertaken.</p> | <p>Business Manager</p> | <p>Agreements are filed in the business manager’s office. Lettings are issued with the following documentation –</p> <ul style="list-style-type: none"> • Agreement for hire of Nailsworth Recreation Centre Community • Agreement for hire of Nailsworth Recreation Centre Commercial • Safeguarding requirements for Regular users if the Nailsworth Recreation Centre. • Information for all Hirers |
| <p>Slips/Trips/Falls The school recognises the main cause of accidents is slips, trips and falls. It is the responsibility of the teacher to ensure that their classroom has clear traffic routes and that exit routes are kept clear. The responsible person ensures regular inspection of communal areas. All hazards, obstructions, spillages, defects or maintenance requirements are reported to the Headteacher or via a recognised reporting process. All staff are expected to be vigilant and aware of possible hazards.</p> | <p>Head teacher</p> | <p>See RA</p> |

| | | | |

| | | |
|--|---|---|
| <p>Caretaking and Grounds Maintenance (and grounds safety) The school identifies risks associated with caretaking and grounds maintenance and identifies the risks through the risk assessment process using the SHE/GN/46 Caretaking Duties Risk Assessment Toolkit.</p> | <p>Business manager is responsible for all maintenance arrangements</p> | <p>Grounds Maintenance – Matt Bell Gas boiler maintenance – P&R Fixed wiring - P&R PAT testing – JamCo Direct Fire/intruder alarm, emergency lights, fire extinguishers – Decibel Stage lighting - Chinnicks Lightening protection system – Lightening defence Services Fire log book contains details of inspections and is located next to the alarm panel.</p> |
| <p>Gas and Electrical Appliances Any necessary work and testing of gas and electrical appliances are carried out by qualified contractors. Gas and electrical appliances are also checked visually on a regular basis and subject to appropriate formal inspection.</p> | <p>Business Manager</p> | <p>See above</p> |
| <p>Glass and Glazing A risk assessment has been carried out for all glazing on site to ensure it complies with current safety standards. All low level glazing (below 800mm), such as glazing in doors and high risk glazing such as glazing within PE departments is toughened, laminated glass and complies with ACoP/British Standard or has been fitted with safety film. There is a system in place to ensure all broken glazing is reported through a known procedure and that the area is made safe immediately and repairs carried out as soon as possible. Glazing is also assessed during a regular site inspection.</p> | <p>Business Manager</p> | <p>See RA</p> |

| | | |
|--|-------------------------|---|
| <p>Water Supply/Legionella An effective water hygiene management plan is in place to control the risks of legionellosis to staff and members of the public. The named responsible person has a clear understanding of their duty, has undertaken training in water system management and has the competence and knowledge to ensure that all operational procedures are carried out in a timely and effective manner. Regular documented water checks are undertaken and a system is in place to ensure an annual check is carried out. A legionella risk assessment has been documented and the site log book is used. A process is also in place to deal with any actions should they arise.</p> | <p>Business Manager</p> | <p>Weekly water inspections are performed by the cleaner in charge Annual legionella inspections are performed by Primary Water Solutions Legionella RA in Business manager's office.</p> |
| <p>Snow and Ice Gritting Adequate arrangements are in place to minimise the risks from snow and ice on the site e.g. access/egress routes. A risk assessment has been carried out and an emergency plan has been developed to determine what type of action needs to be undertaken during adverse weather conditions. There is suitable storage for salt/grit and tools, (such as wheeled grit spreader) on site and a sufficient supply of grit/salt is available.</p> | <p>Business Manager</p> | <p>See RA</p> |

| Section 3 - MEDICAL/FIRE AND EMERGENCY ARRANGEMENTS | | |
| <p>Infectious Diseases</p> <p>The school follows the guidance produced by the Health Protection Agency, which is summarised on the poster, Guidance on infection Control in Schools and other Child Care Settings.</p> | Business Manager | Poster located on back of school office door |
| <p>Dealing with Medical Conditions</p> <p>The school accommodates pupils with medical needs wherever practicable and makes reference to DfE circular - Supporting Pupils with Medical Needs in School which sets out the legal framework for the health and safety of pupils and staff. Responsibility for pupils' safety is clearly defined within individual care plans where necessary and each person involved with pupils with medical needs is aware of what is expected of them. Close cooperation between schools, parents, health professionals and other agencies help provide a suitably supportive environment for those pupils with special needs.</p> | Head teacher | |

|---|------------------|--|
| <p>Drug Administration The school accommodates pupils with medical needs wherever practicable and makes reference to DfE Guidance Managing Medicines in Schools and Early Years Settings. Parents have prime responsibility for their child's health and provide the school with information about their child's medical condition. Parents obtain details from their child's General Practitioner (GP) or paediatrician, if needed. The school nurse and specialist voluntary bodies provide additional background information for staff.</p> | Business Manager | <p>For short-term medical issues where medication is required during the school day, parents will be expected to either visit or complete a medical form obtainable from the office that gives permission for the teacher to administer medicine. For long-term medical needs, we will do everything we can to enable them to attend school regularly. Parents must give us details of the child's condition and medication, and bring the medication to school in a secure, labelled container. Records will be kept of all medication received and administered by the school.</p> |
| <p>First Aid The school follows the statutory requirements for first aid and provides suitably trained first aid staff. The guidance issued by the DfE on first aid for schools SHE/Pro/8 First Aid is followed.</p> | Business Manager | See First Aid policy |
| <p>Reporting of Accidents, Hazards, Near Misses The school report and investigate all accidents, incidents and near misses and adhere to SHE/Pro/4 Accident Reporting and Investigation. In line with the SHE procedure, all staff are encouraged to report accidents, incidents and near misses and line managers investigate such incidents and identify and implement means to prevent a recurrence.</p> | Business Manager | <p>See First Aid policy All incidents that result in a visit to the doctor or hospital are reported electronically using the SHE Enterprise accident database. Other more minor incidents are recorded in the accident book in the school office.</p> |
| <p>Fire Safety and Emergency Evacuation The school follows AMPS guidance. A risk assessment has been carried out and a safety management plan is in place.</p> | Business Manager | A fire risk assessment and emergency plan is in place |

| <p>Crisis and Emergency Management A Crisis Management Team is in place to assist in the reduction of the consequences of major hazards and risks and to action a recovery plan in the event of a serious accident. The team acts as the decision-making influence for the management of an incident. Procedures and practices are in place for handling emergency situations and communicating these to all staff. All necessary equipment is available for rapid activation during an emergency which includes communications equipment, emergency plans and procedures, a log to record all actions taken during the crisis, necessary office equipment and supplies and appropriate building plans. A test is carried out on a regular basis to ensure that it is feasible and realistic. The emergency plan is reviewed on an annual basis and after any practice emergency exercise or real emergency. If deficiencies are found remedial action is taken.</p> | <p>H&S Governor & Head teacher</p> | <p>Crisis and emergency management plan to be created. Headteacher will be primary contact in the event of an emergency.</p> |

| Section 5 – TRAINING | | |
| <p>Staff Health & Safety Training/Competence The school is committed to ensure staff are competent to undertake the roles expected of them. The Headteacher/Heads of Department undertake a training needs analysis to identify the competency requirements of specific job roles in terms of health and safety, and ensure that appropriate training is delivered and training records held centrally. The training need analysis is reviewed on an annual basis or on the introduction of new legislation. Line managers conducting the performance management process consider health and safety performance and address areas of concern with employees.</p> | Business Manager/Head teacher | First Aid training records in business manager’s office |
| <p>Supply and Student Teachers The school’s expectations are made clear to any supply and student teacher through the provision of Supply/Student Teacher/Staff Handbook. Teachers on supply and student teachers are given a copy of the Staff Handbook, Health & Safety Policy Document and other relevant policies. The Headteacher is responsible for liaising with the supply/student teacher on general school organisation and routines. When supply and student teachers attend the school to cover for staff absence at short notice the Headteacher/responsible person gives guidance on the work to be covered.</p> | Business Manager | Supply teachers are signposted to onedrive containing information of health and safety responsibilities. The business manager will communicate security procedures. |
