## News for this week

Date: 4th September 2019 Issue 64

### Welcome back

A huge welcome back to you all, it was lovely seeing all the happy excited faces coming into school this morning eager to see friends and tell teachers about their summer holidays. This is just a brief Newsletter this week.

### Roof works

The work to replace the leaking flat roofs at the front and side of school will be starting this week. This work was to happen in the Summer holidays but was delayed due to circumstances beyond our control.

The work should take 2/3 weeks and we shall try to keep disruption to a minimum.

During this time please be mindful that:

All parents, children and visitors should be extra aware that there will be workmen and their vehicles on site

For KS1, Jigsaur and access to the school office:

\* If walking to school please walk through the bottom gate,

\* If driving to school please park in the parents carpark and walk out of the top gate and back in the bottom gate.

Thank you for your patience during the works.

### Y6 Residential

On Monday 9th the Y6's along with Miss Waterworth, Mrs King, Mrs Judson and Mr Southcott will be off on residential. The kit list has been posted onto our Facebook page and also emailed out, if you have not received it please pop into the office and let Cat know.
