News for this week

Date: 20th November 2019 Issue 74

Awards and Value Badges Children in Need

We love to celebrate the children's achievements.

If your child has received an award outside school, please let us know so that we can celebrate this with them during celebration assemblies on Friday afternoons.

If you would like to nominate your child for a Christian Values badge, please write a note or an email explaining how they have earned it. Again, we will be delighted to award them.

A huge thank you for your kind donations of cake and all the children really enjoyed spending the day in school in their pyjamas, we raised a fantastic £331.25. Congratulations to Pippa Brereton (KS1) and Penny Bishop (KS2) for winning the cake competition.

Scholastic books

We are delighted to say that £819 was spent on books last week at the book fair, so the school now gets £491 worth of free books....so thank you again.

Teaching and Learning

There are many ways you can find out what your child is learning at school.

A quick and easy way is to look at the school website. Each class page has information about how we teach English and Maths. It also has a copy of the topic web which sets out what the class will be covering over the course of a term. You will find a paper copy of the topic web in your child's book bag/school bag on Friday.

If you have any specific questions, class teachers are available at the end of each day.

For more in-depth conversations, please make an appointment to talk things through.

Soft Plastic

As you are aware, we collect soft plastic for recycling. Luke Wallace has been kindly dropping the plastic to Stroud for us, but he can no longer do so. If anyone is available to drop the plastic then please pop into the office and see Cat. Thank you to Matt Bell who has offered to take the current load tomorrow.

Gardeners Question Time

We will be hosting BBC Radio 4 Gardeners Question Time on Tuesday 17th December. Tickets are £4 from the school office—first come first served. Doors open 5.30pm and recording starts at 6.30pm.

KS1 Nativity 6pm
20th Last Day 1.15pm Finish

Reception

We had lots of fun on Friday coming to school in our pyjamas for 'Children in Need'.

We also changed into our PE kits for the first time. In the gym, there was lots of equipment for us to climb over or under, jump off and balance on.

Year 1

This week year 1 have been practising their amazing dance routines for their part in the KS1 Nativity play. We have very nearly learnt all of our songs too!

Year 2

We have had such an exciting week because we have started our new topic on conservation. We are getting ready for our celebration assembly worship on Friday and looking forward to showing everyone our work on elephants.

Year 3

This week, we started our class book, The Enchanted Wood. We have been drawing what we imagine the wood looks like from the description in the book. In Maths, we have moved on to division and multiplication. We have been using our addition skills to help us. In Topic, we have been learning about the history of the Guide Dog Association.

Year 4

This week we have been learning about the functions of the digestive system. We went to the MUGA and Maizey pretended that she was food being transported through the body and being excreted out of the end!

Year 5

In English, we are writing a letter of complaint to a supermarket owner, because they are using too much palm oil in their products and it is destroying our rainforests. In Science, we are learning about space and the planets. In our topic South America, we have learnt there is a desert which is amazing for star gazing.

Year 6

This week has been a very exciting week for year 6. One of the reasons being, we started forest school. We were building dens. We also had a visit from the NSPCC and learnt about speaking out and staying safe.
