

# Computing menu

Ideas for computing this half term.

<p><u>Photo editor</u> Take photos on a device. Can you edit the colours or put them into a collage? Suggested app: LiteCollage (or similar).</p>	<p><u>Scratch</u> Make a coding sequence on Scratch using two or more "sprites". Can you add a background? Suggested app: Scratch Jr</p>	<p><u>Powerpoint</u> If you have access to a computer, make a powerpoint about yourself and your family. If you can't do this on a computer, you could make a poster.</p>
<p><u>Dance video</u> Make up a dance and record a video of it. You could get the whole family involved! Suggested app: Camera</p>	<p><u>E-mail</u> With help and supervision from a parent, send an email to a relative that you haven't seen for a while.</p>	<p><u>Typing work</u> Choose a piece of work that you are really proud of and type it up. If you don't have access to a computer, write it up in your neatest handwriting.</p>
