

# Maths

## AREA

- 1) to calculate and compare the areas of squares and rectangles.
- 2) to calculate the area of compound shapes.
- 3) to calculate and compare the area of compound shapes.
- 4) Perimeter and area word problems.

## MULTIPLICATION AND DIVISION PRACTICE

- 1) Multiplication practice
- 2) Multiplication practice
- 3) Division practice
- 4) Division practice

I will be uploading some videos to remind you how to do long multiplication and division on to the school website (and other strategies for fractions, percentage, decimals etc) - go to the 'Learning from Home' section and then > Year 5.
