

A message to current Year 3s.

Hello Year 3! My name is Mr Walton and I am really excited to say that I have the privilege of being your new class teacher when you go into Year 4 in September 2020! I am really looking forward to meeting all of you and sharing some of the work that we will be completing together in Year 4. I promise I will try to make our learning as fun as possible!

I am coming to Nailsworth from teaching at another school very close by, so I know the local area well and am looking forward to sharing all of the wonderful resources our local areas has to offer.

A bit about me - I will be going into my 4th year of teaching when I join you at Nailsworth. I enjoy playing football outside school and have even played against Mr Davis! I have a daughter called Tilly, who is very cheeky and my very clever wife teaches teachers at university!

I really cannot wait to meet you all and am so excited to hear about all of the things you have been up to in our period of social distancing, but most of all I am really excited for all of us to be back at school and ready to learn and enjoy school life again!

See you all soon and have a really lovely summer,

Mr Walton.
