

Hello Toco,

Thank you for sending my class the box of fruit, it all looked really tasty. My name is Sam and I go to Nailsworth Primary School. I go to school with lots of other children.

We have been learning about the rainforest, so when your box arrived at school we were so excited. My favourite fruits were the passionfruit and the mango. They both tasted delicious and I really liked the little seeds in the passionfruit.

I have sent you a drawing I did of the passionfruit. I hope you like it. I used watercolour paints to make the colours bright.

I would love you to come and visit our school but it's probably a bit too far for you to fly.

From your friend,

Sam
