Date: 8th July 2020 Issue 100

Hello from school

As we draw to the end of this week we would like to wish Year 1s a very happy Summer Holiday. We are looking forward to welcoming them back along with the rest of the school in September. Next week, the Year 6s will be returning to us for the last week of the summer term. It will be lovely to see them all again.

Year 1

Year 1 have been carrying on with their pizza topic and created recipe books! We made ocean art this week, using bubble wrap to paint and paper weaving.

Year 2/3/4

In PE, we have been learning how to play tag with the tag rugby equipment and also how to play tit tac toe. We have almost finished making our shoe box restaurants. We’re going to make a plate of food from our menus this week too!

Year 5/6

We’ve been practising dividing with 2 digits and have persevered with doing this! In DT, we’ve been making our own tea-cup out of Paper Mache. For the first time, we played tag-rugby; some of us didn’t know what to do with the ball!

Reception

We are trying to write a story using rhyming words. It is really tricky but we’re trying hard.

Did you know that chocolate that comes from the rainforest and it grows on cacao trees?

Shape facts Reception know:
A square has 4 corners
An octagon has 8 sides
A triangle has 3 sides
A circle has 1 side.

Diary dates

September
1st  INSET DAY
2nd  INSET DAY
3rd  First day of term 1
8th  Piano lessons
8th  Violin lessons
9th  Guitar lessons
10th Piano lessons
17th Drum lessons

Clubs

Due to Covid, there will be no after school clubs running until after October half term. We will keep you informed if the situation changes.

Jigsaur

From September Jigsaur will be running as usual so, please use the booking forms to book places and hand these into the office. These forms are available from the reception area and also on the school website.

A huge thank you out goes to Emma and Pauline who have been here every day during lockdown and have created this wonderful colourful display with the children. The children have really enjoyed the activities they have been putting on and have had a great time.

So thanks ladies!

Transitions

A reminder that transition evenings are taking place tonight and tomorrow for parents of children who are due to move into Y1 in September.

Y6 Residential

You should have all received an email today informing you of the changes to the Y6 residential. If you have not received this letter then please let the school office know.
