## News for this week

Date: 23rd Sept 2020 Issue 104

### Weather change

As the weather starts to change can we please make sure children have their coats in school. Even if it is drizzling, we try to get them outside to play so coats are a must.

### Jigsaur

We are now full on Wednesday and Thursday afternoons. We are also filling up on a Tuesday afternoon. Please ensure you fill in a form and don't just assume we have space. We will turn people away if you have not booked your child in. If you put a form in and we are full we will of course contact you to inform you of the situation. Please remember to cancel any sessions you no longer need to avoid being charged.

### Rags 2 Riches

There are lots of bags in the reception area for those who still need one for the collection on 5th October.

### Car park

We have limited car park spaces at the moment so please either walk when you can or park out on the road.

Please try and avoid circling around and around the car park waiting for a space to become available.

### Instruments

Those children who are learning an instrument need to bring their instruments into school with them every week. We have had a number of guitars forgotten today and also piano books have been forgotten on Tuesdays and Thursdays. So please just ensure children have everything they need in school on the right day.

### Young voices

Just a gentle reminder that Young voices slips need to be back in this Friday 25th September.

### Happiness

Callan had a lovely walk this morning with Mrs Ostle and Beau. When Mrs Ostle asked Callan what makes him happy he replied 'Beau makes me happy'. We thought we would share this gorgeous photo of them together.
