News for this week

Date: 16th December 2020 Issue: 115

Merry Christmas

As we reach the end of term, we'd like to thank you for your support, thoughtfulness and kindness over the past term. It is much appreciated. We have been incredibly impressed by the children in school and their maturity in dealing with the challenges of this unusual year. We wish you a restful break and look forward to seeing the children back at school on Tuesday 5th January.

Christmas jumper

We raised £175.00 when we held 'Save the Children' Christmas Jumper Day. Thank you to everyone who donated money to this cause.

Y6 Craft fair

Well done to Year 6, who have been busy creating and making crafts for the last few weeks. The craft fair took place yesterday and was a great success. Each classroom had a selection of items which had been isolated for 72 hours. The children loved choosing what to buy. It was a great success and they raised £223.15. Year 6 will have their own fair on Friday.

Congratulations!

Many congratulations to Charlotte Griffith who has been appointed as the new EYFS teacher. Miss Griffith has been covering the class since the start of December and we are delighted that she is joining our team.

Swimming

Unfortunately, we are not able to begin resuming swimming lessons yet. We will be keeping a close eye on government guidance and advice from the local authority as we move into 2021. As soon as it becomes possible to start making swimming trips safely again, we will let everybody know.

Lunch accounts

A reminder that lunch accounts are to be kept in credit at all times.

If you need your login details again please ask the office for a password reset.

PTFA Raffle

Our grand total raised from the Christmas raffle is £1,316. This is a great achievement and similar to the profit we've made from the summer fete in the past, so thank you everyone for giving donations and buying tickets.

The draw will take place today and winners will be notified via email.
