

COVID-19: outbreak management plan

Change History	Summary of Key Changes	Author
June 2021	Plan created	Liz Geller

This plan is based on the [contingency framework for managing local outbreaks](#) of COVID-19, provided by the Department for Education (Dfe).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), director of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)

Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the [shielded patient list \(SPL\)](#).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning.

Other measures

If recommended, we will limit:

- Residential educational visits
- Open days
- Transition or taster days
- Parents coming into school
- Live performances

Attendance restrictions

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

Eligibility to remain in school

In the first instance, we will stay open for:

- Vulnerable pupils
- Children of critical workers
- Reception, Year 1 and Year 2 pupils

If further restrictions are recommended, we will stay open for:

- Vulnerable pupils
- Children of critical workers

Education and support for pupils at home

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our remote learning policy.

The school will continue to provide lunch parcels for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines. These will be available for parents to pick up in a “drive through” fashion, from the kitchen window.

Wraparound care

We will limit access to before and after-school activities and wraparound care during term time to those that need it most.

We will communicate who will be eligible to attend once the restrictions are confirmed.

Safeguarding

We will review our child protection policy to make sure it reflects the local restrictions and remains effective.

We will have a trained DSL or deputy DSL on site wherever possible.

On occasions where there is no DSL or deputy on site, a senior leader will take responsibility for co-ordinating safeguarding on site.
