News for this week

Date: 22nd September 2021 Issue: 142

Hello from school

It has been lovely learning all about the wonderful experiences Year 5 had on residential. The big swing sounded particularly challenging.

In school, we are focusing on reading. Please remember to listen to your child read aloud everyday no matter how old they are. One of the consequences of lockdown as the children weren't in school was that we weren't able to hear them read.

Covid Update

The latest advice from the Local Authority is that in the case of a positive LFT of a family member, all family members should get a PCR, including any school aged children. School children should NOT attend school until they have received the (negative) results of that PCR. If you have any questions, please contact the school office.

Volunteers please

We are very much in need of volunteers to come into school an afternoon a week to listen to our children read. Due to lockdown there is a gap in their reading learning and we really need help to fill this gap. Y3, Y4 and Y5's are in the most need. Please let the school office know if you are interested in volunteering in school.

Fencing

We have some spaces available in fencing club after school on Tuesdays. This club is now open to Y3 students and it is free of charge. Please let the office know if your child is interested in learning to fence.

Welly Walk

Y1 & Y2 will be going on a welly walk each week. Y2 Tuesdays at 2.10pm and Y1 Wednesday at 2pm Please ensure that children have their wellies in school each Tuesday and Wednesday morning.

School lunches

Can we please remind parents that school lunch accounts must be kept in credit. We can stop school lunches if accounts are not kept up to date. If you are in financial difficulties please let the school office know.

Home grown

Well done to Rocco on his amazing home grown beans. He looked after them brilliantly and is now enjoying the fruits of his labour!

Reception

In Maths, we have been practising our counting by matching numbers to the correct number of cubes. In English, we've been drawing story maps for our class book.

We are getting really good at using our balloons to choose different activities!

Year 1

We are all excited about our first welly walk today! Thank you to all the parents that have volunteered to help us. We are going to be Science detectives and look out for manmade and physical features around us. In English, we have started 'The Snail and the Whale' story and found all the rhyming words.

Year 2

We have been working hard on our 'Pets' topic, both at school and at home. We love using our homework scrapbook to record experiences related to our topic. Also, we started our weekly welly walk this Tuesday and had a fun time learning about the Geography of our local area. We saw this oak tree in Miles Marling field which was planted by Lilah Lemons mum with reception class here about 25 years ago.

Year 3

On Monday, we created our own cave paintings outside. By Sam.

I made a hand painting using chalk. By Grace.

We are listening to our class book 'James and the Giant Peach'. By Ivy.

Year 4

We have been learning about the Pongal Festival in RE. We have also been working on chalk pictures of the Blitz.

Year 5

The year is now in full swing since returning from our PGL trip. It is a pleasure to say that all the children that attended the residential trip represented school so, so well. The instructors that helped make our trip amazing ALL said just how lovely, polite, helpful and caring the children are - a huge well done to all of them for showing just how great our pupils at Nailsworth are! It was lovely to hear that we had a very responsible and helpful postmaster representing Y5 in school last week too, well done for your hard work and great attitude!

Year 6

This week we've started our new topic for English—a narrative. We've finished place value in Maths and are now looking at the four operations. We have learnt how to label a longboat and facts on this incredible boat e.g. there were no toilets! We've learnt some sports in French and with start our DT this week.

Value Badges

I would like to nominate Izabela (Y6) for Perseverance Badge for passing her Grade 3 Piano Exam with Merit. We are very proud of you for all practice you have done, as it wasn't easy to do it along with studying for your 11+ Exam!

Love you, Mum.

I would like to nominate Jamie and Hollie for courage badges, as near the end of a long walk our path became narrow and very overgrown, with plenty of stinging nettles and prickly brambles. They both demonstrated courage to carry on, even though we couldn't completely escape from getting a little scratched and stung. From Mum.

We as a family would like to nominate Tilly James from Year 1 for her perseverance badge as she is trying really hard with her Maths and English and doesn't give up. From Mum.

I would like to nominate Lily Earby for a courage award for moving schools, getting on brilliantly and having the courage to put herself forward for house captain. From Mum

I'd like to nominate Ruby May in Year 5 for a courage badge for going on PGL and being very brave to have a go at all of the activities she did and to stay strong being away from home for a couple of days. We're so proud of her for what she achieved! From Dad and Kate.

ST GEORGE'S DRAGONS

A new drama group for children in

Year 2 – Year 6

Come and have fun!

Wednesday evening

St George's Parish Room

5-6pm

Starting September 15th

Are you into acting and drama?

Are you looking to have some fun and learn new skills through games and activities?

If the answer is yes, then why not come along to St George's Parish Room on Wednesday evenings at 5pm and join our drama group.

We are inviting school age children who are in years 2-6 to come to drama sessions with the aim of learning new skills to put on a performance at Christmas time.

There will be no charge for the sessions, which start on September 15th and we would love you to come along to join us.

If you have any further questions, please contact
