News for this week

Date: 20th October 2021 Issue: 146

Hello from school

A big thank you to all parents and carers for supporting their children with school attendance over the past school term. A reminder that Mon 1st Nov in an inset day so we look forward to seeing you all on 2nd November. Please see attached updated clubs list.

Football

The school team had a brilliant time at the inter-school football tournament at Stratford Court last week. The children were amazing, they played the games with great spirit and fairness and represented our school in the best possible way so a huge well done for this. We had some really tough games and played together, as a team, brilliantly. We ended up winning 2, drawing 2 and losing 2 games which resulted in us finishing 7th place overall - there were 14 teams there so the team did a fantastic job. Well done to: Dylan, Elliot, Oliver, Harry H, Harry J, Luca, Jacob, Alfie and Charlie from years 5 and 6. Remember to keep coming to club, even if you weren't selected this time round; there are lots of opportunities through the school year to make a team!

School photos

Tomorrow are individual school photos and sibling ones. We will be photographing all individual children first then the older sibling will be asked to collect their younger sibling from class. Twin siblings will be done in the individual session. Proofs will be available and sent out after half term. Please ensure your child has full school uniform on tomorrow.

Parents evenings

You will have all received a letter for parents evenings which are being held on the 15th and 16th November (15th & 17th Reception). We will also have the Travelling Book fair (formerly Scholastic books) here. It's a great way to reward children for all their hard work at school or an excellent Christmas present in the bag! The more books bought, the more free books the school receive, so it's a win all around. If you can't make it to Parent's evening, then you can still order books. More information will follow on how to do this.

Fireworks tickets

The PTFA are thrilled that Fireworks night will go ahead on 5th November. Tickets will be available to buy at treat Friday, then after half term from the school office. Please see the attached poster for details.

- 4th Piano lessons
PE Y4/Y5
- 5th PE Y3
Forest School Y2 afternoon
Fire Works night—No treat Friday
- 8th Drum lessons

Reception

We have been learning about the different materials that float and sink. We tested these materials in a big tray of water as part of a Science experiment. This will help us choose what to make our pirate boats out of next term. We are really enjoying singing practise. So far we've learnt 5 songs for our nativity play.

Year 1

We have had lots of fun creating our new bug hotel in the year 1 garden. Kaleb's dad, Luke, kindly made the shell for us and we spent an afternoon filling it with lots of materials we think bugs will like to live in.

Year 2

We are really enjoying our work about animal classification. We have learned about amphibians, mammals, insects, birds and reptiles—just fish left to go! We also really loved seeing Rev Caroline in Year 2 class worship.

Year 3

We have been designing our Stone Age houses and hope to make our settlement this week. Mrs Weygang has shown the Aardman production 'Early Man' to help us see the differences between Stone Age and Iron Age resources. After half term we will move onto study the Iron Age.

Year 4

We learnt about Vera Lynn and how she lived up to the age of 103! In Music we sang her song 'We'll meet again'. In Maths, we have been learning to tell the time. In English, we have been making 'Black-out posters'. We also baked WW2 honey biscuits. By Leo and Eilidh

Year 5

I really liked learning about human and physical Geography this week and Smallpox Hill in Uley linked with Edward Jenner. By Bella.

I really enjoyed my Maths lessons this week using place value to learn about different representations and writing numbers in words. It was fun! By Amber.

Year 6

This week, we started our bikeability and we are all enjoying it.

In History we have been exploring a Vikings leader Leif Erikson and making posters about him. We have also been making Viking helmets.

Value Badges

I would like to nominate Theo and Stanley for courage badges please. They both have had small operations in the past 2 months and although they were scared they both showed great courage and I was so proud of them. Love from Mum.

Can I please nominate Aaron Thorpe for a perseverance badge? There has been such a marked improvement in his attitude towards learning this term; helping fellow class mates; challenging himself in his learning and realizing he can learn as much from figuring where he went wrong as getting it right. Mrs Wingfield.

Dexter has persevered with his spellings and reading well done we love you. Well done to Rocco as well who has persevered with his spellings. Well done we love you. From Mum and dad.

I would like to nominate Oliver for a generosity badge. Oliver's infectious smile, everyday selfless joy of giving and sharing, and especially expressing his love towards his family makes this nomination well deserved. Ewa - Oliver Lis Bobev auntie

I wish to nominate my nephew Alexander for a justice badge. His passion with questioning, expressing and persuading his point of view about fairness/rightness in our daily life it's truly inspiring.

Ewa - Alexander Lis Bobev auntie

I'd like to nominate Lars for a bravery badge. He recently moved up to the top bunk bed even though he was worried about climbing the ladder. Well done Lars! From Mummy.
