News for this week

Date: 11th February 2022 Issue: 160

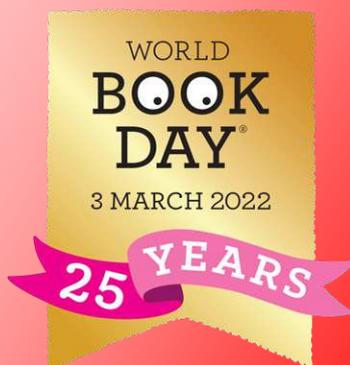

Hello from school

The children have been hard at work competing assessments to measure their learning. We are very impressed with the level of progress they have made this term. Please encourage your child to continue to read as much as possible over the half term.

Have a wonderful break and we will see you all back on Monday 28th February.

World Book Day

We will be celebrating World Book Day on Thursday 3rd March. All children can dress up as their favourite book character for a £1 donation. The school council will be offering milkshakes and biscuits for 50p in the afternoon.

PJ day

Congratulations to all those children in Selsley house on winning the most house points this term. They have earned themselves a Pyjama day on Friday. Well done!

Sewing Machine

Do you have a working sewing machine that you don't use anymore or have one tucked away anywhere that school could make use of please? Perhaps ask relatives and see if they have one they don't use anymore.

If you have one then please drop it into the school office.

Menus

Attached are the new menus for after half term. We will also be sending out a separate link to all parents with a questionnaire from The Great Plate asking for feedback about the school meals so far. It would be really helpful if you could please speak with your children and fill it in together over half term.

Fencing

We still have a few places available for fencing club. This is a school funded club that runs after school on a Tuesday with Shaun Garley. He is part of the British Fencing association. If your child is interested in starting fencing please let the school office know.

Clubs List

Attached is the new clubs list for after half term. The school office just needs to know which children want to do Lego club as there are limited spaces.

Diary dates...

FEBRUARY

- 16th Swimming Y3/Y4
Guitar lessons
Piano lessons

- 7th 3rd Y6 residential payment due £67.40
- 7th Parents evening (all years)
- 8th Parents evening (not Recp)
- 9th Recp Parents evening

Reception

Its been so interesting looking at maps and exploring the Polar regions. We've been learning all about ice in preparation for an ice experiment we will be carrying out this week.

PE has been great fun. We've been practising our snowflake dances!

We are nearly at the final stage of our Art exhibition and have been busy finishing off the final pieces.

Year 1

This week is a special week for Year 1! They are making birdfeeders to help the birds in our local area and are performing their class assembly to the school and their grown-ups! A great way to finish another half term of learning.

Year 2

In Year 2 we had a lovely time on Monday having a French day. We learnt about how to say the names of colours in French and watched the Three Little Pigs in the French language. Some of the children are developing amazing pronunciation of French words! Tres Bien!

Year 3

During our French afternoon we explored the Lascaux Caves. We also learned some French phrases. In History, we explored what Ancient Egyptian houses were like.

Year 4

In Art we outlined the Eiffel Tower and painted it in the technique of pointillism.

As part of French week in Geography we learnt about Fairtrade and were shocked at how little plantation workers can earn! We made Fairtrade chocolate truffles for Valentines day which was a bit messy but great fun!

Value Badges

Can I request a Courage badge for Olivia Jones (Y3) and William Jones (Y1) they have been so brave leaving their old school and starting somewhere new. From Mum.

Year 5

In DT we have been designing and drawing our own Coats of Arms. We used the Queens Royal Coat of Arms as inspiration and we are going to turn our designs into products this week! By Bella.

I have really enjoyed writing poetry all about me for the young writers' competition this week. You never know, we might just win!

Year 6

Yesterday in Art we made sculptures using pipe cleaners and foil. We are getting ready to use clay.

In PE we finished off the term using the apparatus for gymnastics.

We have been using onomatopoeia and anaphora in our poems. We are sending them off to the Young Writers competition.

I'd like to nominate Bodhi for a compassionate badge. We've all had Covid and he's supported us with kindness, compassion and all the help we needed. He's totally melted me. From mum.

Please may I nominate Ava for a Courage badge. She went to get her haircut from long, thick and curly, to a princess pixie cut. She was scared but the hairdresser was impressed by her behaviour, as she was practising her chess and teaching him how to play, whilst her hair was cut. Then, she went bravely into school with her new look, even though she was nervous! I am so proud of her. From Mum

I would like to nominate all of Year 3 & 4 for a respect badge. I have been a parent escort on most of their swimming trips and they behave well in the coach and respect the public whilst walking to the leisure centre, whilst inside queuing for the changing rooms and they are especially well behaved and respectful when listening to their swimming coaches. They are a credit to Nailsworth Primary school. Kelly Till.

Could I please nominate Angel Rose in year 6 for a friendship badge for being a great friend to Lily and making her happy? Thanks Lilys' mum.

I would like to nominate Lailah-Mae for her perseverance in learning her gymnastics routine for the gymnastics competition Every morning and evening she goes over the routine trying to make it perfect. I am looking forward to watching it all come together. From Mum
