News for this week

Date: 8th June 2022 Issue: 171

Hello from school

Welcome back everyone!

We have had a great start to the new term. The children in Year 1 have really impressed us with their phonic knowledge during the screening tests. Well done everyone! In Year 4, the class are busy learning their times tables, ready for the national assessment which begins next week.

If you would like to see what your child is covering in school this term, don't forget to have a look at the learning webs. They will be on the website by next week.

Jigsaur

Places in the Before & After School club are allocated on a first come basis so please contact Liz Blick at lblick@nailsworth.gloucs.sch.uk to book places for September 2022.

Please remember to use the new GCC bank details that are on your invoice if you are making BACS payments.

Thank you.

Diary dates...

June

- 9th Class photos
- 9th Y4&5 PE
- 13th Year 6 residential—depart
- 13th Y1&2 PE
- 20th Year 6 residential—return
- 30th New parents evening 6pm

July

- 8th Summer Fete
- 13th KS 2 Celebration Awards 5.30pm
- 21st Last day 1.15pm finish

Please make any outstanding payments for school lunches, preferably through SchoolMoney

School Trips

Please make sure you have put your child's name on the reference for BACS payments and use the details for the new GCC bank account.

Trips ref 81305

Swimming 81315

Tuition fees 82538

Reception

We've been writing some super poetry about Spring. It's great seeing all the seeds we planted growing into actual plants!

We have been researching timelines and have even made up our own using photos of when we were 0 year to 5 year!

Amelia is so cute (Keaton)

Year 1

This week we have been reading Paddington Bear. We have written a character description of him, describing his appearance and his personality. Today we listened to 'The Magic Flute' by Mozart. The pitch was very high. It made us feel happy and calm.

Year 2

Year 2 were very excited to present their sculptures of the queen to St. George's Church for our whole school, Jubilee art exhibition. We had been studying the sculpture of Bernini and comparing it to ancient Egyptian work. We then produced a copy of either Bernini's Medusa or Queen Nefertiti. After learning our sculptural skills we moved on the producing busts of Queen Elizabeth II which we painted.

Year 3

This week Year 3 started their History learning on the History of farming. They examined the shift in the Stone Age from hunting and gathering food to early farming techniques used during the Neolithic times. They also looked at some Stone Age farming tools and drew comparisons with tools that are still used in farming today.

Year 4

Year 4 had a fantastic time at the Corinium museum on the last day before half term. We learnt all about the life of the Romans and why Cirencester was an important settlement during this time through an engaging workshop and a fact hunt through the exhibition. This term we are studying the artist Gustav Klimt and have created a joint recreation of one his famous pieces called 'The Kiss'.

Year 5

We have been learning about life-cycles in science and we were lucky enough to see dragonfly nymphs left over from when they went through metamorphosis. Rhys

I really enjoyed our history lesson, we were learning about the history of railways and how important they were and the positive and negative impact they had on Britain!

Bella

Year 6

Mrs Judson helped us to make a vacuum cleaner that works!

Value Badges

I would like to nominate both Thomas and Samuel Gibbons for a service badge. On Thursday bank holiday they went to King George V playing fields with friends for a play. The area by the skate park had a lot of litter, so after tea they went back with their daddy and spend time picking up a bag of rubbish.
Andrew Gibbons

Could I please nominate Ava Till for a reward for her reading over the recent half term. We visited the library and borrowed many Batman books that she has loved to read, as well as the books she recently got on holiday about science and the history of the royals. She has been very diligent in reading and I can definitely see a big improvement. I am very proud of her. Love Mum.
